

**DECLARATION UNDER PENALTY OF PERJURY FOR
THE CENTERS FOR DISEASE CONTROL AND PREVENTION'S TEMPORARY
HALT IN EVICTIONS TO PREVENT FURTHER SPREAD OF COVID-19**

I certify under penalty of perjury, pursuant to 28 U.S.C. 1746 and NRS 53.045, that the foregoing is true and correct:

I have used best efforts to obtain all available government assistance for rent or housing available to me or any household member;

I either expect to earn no more than \$99,000 in annual income for Calendar Year 2020 (or no more than \$198,000 if filing a joint tax return), or
 was not required to report any income in 2019 to the U.S. Internal Revenue Service, or
 received an Economic Impact Payment (stimulus check) pursuant to Section 2201 of the CARES Act;

I am unable to pay my full rent or make a full housing payment due to substantial loss of household income, loss of compensable hours of work or wages, lay-offs, or extraordinary¹ out-of-pocket medical expenses;

I am using best efforts to make timely partial payments that are as close to the full payment as the individual's circumstances may permit, taking into account other nondiscretionary expenses;

If evicted I would likely become homeless, need to move into a homeless shelter, or need to move into a new residence shared by other people who live in close quarters because I have no other available housing options.²

I understand that I must still pay rent or make a housing payment, and comply with other obligations that I may have under my tenancy, lease agreement, or similar contract. I further understand that fees, penalties, or interest for not paying rent or making a housing payment on time as required by my tenancy, lease agreement, or similar contract may still be charged or collected.

I further understand that at the end of this temporary halt on evictions my housing provider may require payment in full for all payments not made prior to and during the temporary halt and failure to pay may make me subject to eviction pursuant to Nevada law.

¹ An "extraordinary" medical expense is any unreimbursed medical expense likely to exceed 7.5% of one's adjusted gross income for the year.

² Available housing" means any available, unoccupied residential property, or other space for occupancy in any seasonal or temporary housing, that would not violate Federal, State, or local occupancy standards and that would not result in an overall increase of housing cost to you.

I understand that any false or misleading statements or omissions may result in criminal and civil actions for fines, penalties, damages, or imprisonment.

I declare under penalty of perjury that the foregoing is true and correct.
