TENANTS' RIGHT CENTER

Overview

Nevada Legal Services is a private, non-profit law firm whose mission is to provide high-quality civil legal assistance for all low-income individuals throughout Nevada.

Nevada Legal Services' Tenants' Rights Centers provides **free** civil legal services and legal education about a variety of landlord tenant matters to tenants who do not live in subsidized housing.

If you live in subsidized housing—such as your landlord is funded by HUD, your rent is income based or restricted, you had to qualify financially to live in your unit, or you have a Section 8 voucher—please contact one of our statewide offices to speak with an intake worker.

U.S. citizenship, LPR status, or another qualifying immigration status is required to open a case. Feel free to contact Nevada Legal Services with questions about this and our other eligibility qualifications.

Services

Legal service provided by the Tenant's Rights Counselor ranges from advice to preparation of pro se forms depending on the scope of the problem, staff availability and where you live.
